Evexia Delivers

Standard Portal

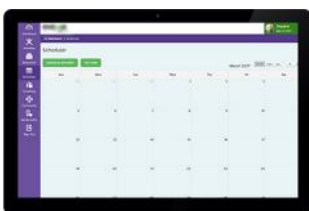

A one-stop solution for individuals and employers, that enables complete management of all workforce and member health & wellness programs and resources.

Stand-alone HRA

The Health Risk Assessment comes with the Evexia portal, but is also available as a standalone product.

Online Scheduler

The online scheduler is ideal for scheduling one-time or recurring appointments, health & wellness events, medical campaigns, clinical visits, health care seminars,

Enterprise Portal Services

You can use our Enterprise portal as a reseller (B2B) or as a white label portal from customizing the look and feel to other applications.
